

2019 PROGRAM

EVENT AGENDA

The Denver Gold Group, Inc (DGG) is a capital formation organization that has supported public and private gold and silver mining companies for three decades. The Denver based not-for-profit association's members own the majority of the world's new gold and silver production, as well as most existing reserves and resources.

Notice

The Denver Gold Group does not make any express or implied condition, representation, warranty or other term as to the accuracy, validity, reliability, timeliness or completeness of any information or materials in general or in connection with any particular use or purpose presented at the Gold Forum. The Denver Gold Group does not represent or endorse the accuracy or reliability of any third party advice, opinion, statement, information or materials received during the Gold Forum.

INVESTMENT ADVICE - NO OFFER OR RECOMMENDATION

The Gold Forum and the information and materials presented at the Gold Forum are not, and should not be construed as, an offer to buy or sell, or as a solicitation of an offer to buy or sell, any regulated gold related products or any other regulated products, securities or investments. The Gold Forum does not, and should not be construed as acting to, sponsor, advocate, endorse or promote any regulated gold related products or any other regulated products, securities or investments. The Gold Forum and the information and materials presented at the Gold Forum do not, and shall not be construed as, making any recommendation or providing any investment or other advice with respect to the purchase, sale or other disposition of any regulated gold related products or any other regulated products, securities or investments, including, without limitation, any advice to the effect that any gold related transaction is appropriate or suitable for any investment objective or financial situation of a prospective investor. A decision to invest in any regulated gold related products or any other regulated products, securities or investments should not be made in reliance on any of the information or materials presented or obtained during the Gold Forum. Before making any investment decision, prospective investors should seek advice from their financial, legal, tax and accounting advisers, take into account their individual financial needs and circumstances and carefully consider the risks associated with such investment decision.

KEYNOTE SPEAKERS

Robin Lee

Co-Founder & CEO, HelloGold

Emerging Markets: The New 'Old' Frontier for Gold Demand

Tuesday, 9 April, 8:15 am

Ballrooms 2 & 3

Robin is the former CFO of the World Gold Council. He has also been a strategy consultant at the Boston Consulting Group, and a regulator with the Securities Commission Malaysia. He qualified as a chartered accountant with KPMG and is a graduate from Oxford University. Robin Lee is the Co-Founder and CEO of HelloGold, a Shariah-compliant fintech focused on creating financial products for the underserved and the unbanked in emerging markets. HelloGold launched its platform in Malaysia in April 2017 with gold as its first financial product with a minimum transaction size of 25 cents. As at December 2018, it has more than 33,000 customers in Malaysia. HelloGold is now preparing for 1) market expansion beyond Malaysia into rest of Asia and MENA 2) extension into other asset classes and 3) the launch of its blockchain backend.

Daniel Litvin

Founder & Managing Director, Critical Resource

Securing Stakeholder Outcomes: The Seven Habits of Highly Effective Mining Executives

Wednesday, 10 April, 8:05 am

Ballrooms 2 & 3

Daniel Litvin is the Founder and Managing Director of Critical Resource, an advisory firm specialising in political, stakeholder and sustainability challenges in the mining and energy sectors. He is a former consultant at McKinsey & Company where he advised the firm's leadership on "business in society" issues. Prior to his work at McKinsey, Daniel was policy advisor to Rio Tinto plc, where he worked with senior management on human rights and other sustainability topics. He is the author of 'Empires of Profit: Commerce, Conquest & Corporate Responsibility', and a former senior research fellow at Chatham House, specialising in the geopolitics of energy. He started his career at The Economist, where he worked as the magazine's environment and resources correspondent.

KEYNOTE SPEAKERS (Continued)

Sakhila Mirza

*Executive Board Director & General Counsel,
London Bullion Market Association (LBMA)*

**From Past to Present, an Overview of the
Global OTC Market for Gold**

Tuesday, 9 April, 8:40 am

Ballrooms 2 & 3

In her role as General Counsel of the London Bullion Market Association and also an Executive member of the LBMA Board, Sakhila has been involved in, and taken the lead on a number of projects of the Association. This has included, but not limited to: working closely with the CEO on the strategic direction of the LBMA; transitioning all of the four precious metals benchmarks onto electronic platforms by working with the service providers as well as regulators; leading the draft and launch of the Precious Metals Code; working with external service provider to enhance transparency in the precious metals market by launching the LBMA trade reporting initiative; and providing for lobbying efforts on behalf of members on a number of issues, for example EU Conflicts Minerals regulation, Net Stable Funding Ratio amongst other regulations.

McKinsey & Company

Oliver Ramsbottom

Gold in 2019: A New Bull Market Forming?

Wednesday, 10 April, 8:30 am
Ballrooms 2 & 3

Ronald, born 1980 in Vienna, Austria, is a Chartered Market Technician (CMT) and a Certified Financial Technician (CFTe). During his studies in business administration and finance at the Vienna University of Economics and the University of Illinois at Urbana-Champaign, he worked for Raiffeisen Zentralbank (RZB) in the field of Fixed Income/Credit Investments. After graduation, he participated in various courses in Austrian Economics.

In 2006, he joined Vienna-based Erste Group Bank, covering International Equities, especially Asia. In 2006, he also began writing reports on gold. His six benchmark reports called 'In GOLD we TRUST' drew international coverage on CNBC, Bloomberg, the Wall Street Journal and the Financial Times. He was awarded 2nd most accurate gold analyst by Bloomberg in 2011. In 2009, he began writing reports on crude oil. Ronald managed 2 gold-mining baskets as well as 1 silver-mining basket for Erste Group, which outperformed their benchmarks from their inception. In 2014 he published a book on Austrian Investing ("Österreichische Schule für Anleger – Investieren zwischen Inflation in Deflation").
